OBJECTIVE

Motivated and curious engineering student with a strong interest in learning and working across various technology stacks. Eager to build real-world projects, enhance technical skills, and contribute effectively in dynamic team environments. Passionate about continuous learning, problem-solving, and exploring both development and testing roles.

EDUCATION

Canara Engineering College, Mangalore *2021 - 2025*
Bachelor of Engineering in **Computer Science and Business System Engineering** **CGPA: 8.64**

S V P U College, Gangolli *2021*
Senior Secondary (PUC) **Percentage: 76.3%**

Govt Junior College, Uppunda *2019*
Secondary School (10th Grade) **Percentage: 81.6%**

EXPERIENCE

Mobile App Developer **Zersys Technologies Pvt Ltd, Bangalore**
Sep 2025 - Present

- Developing and maintaining cross-platform mobile applications using React Native, ensuring seamless performance on both iOS and Android devices.

- Collaborating with UI/UX designers and backend developers to implement intuitive user interfaces and integrate APIs for smooth app functionality.

- Optimizing app performance, debugging issues, and implementing best practices for code quality and scalability in mobile applications.

Frontend Developer Intern **Design WebTech Pvt Ltd, Bangalore**
Feb 2025 - May 2025

- Developed and optimized user interfaces using **React.js, TypeScript,** and **Tailwind CSS.**

- Built a fully functional e-commerce website with secure login, product pages, shopping cart, and logout functionality using **React.js.**

- Integrated **REST APIs** and managed user sessions with **middleware** and **protected routes.**

- Conducted **Manual testing** of real-time applications (**Bucapp**) and debugged UI issues.

- Actively learning **Next.js** for server-side rendering and SEO optimization.

TECHNICAL SKILLS

Languages:	Java, SQL, JavaScript (ES6+), TypeScript (Basics)
Frontend:	React.js, React Native, HTML5, CSS3, Bootstrap, Tailwind CSS
Tools and Platforms:	Git, GitHub, VS Code, Netlify, XAMPP, Chrome DevTools
Testing:	Manual Testing, Bug Reporting, Functional Testing, UI testing

PROJECTS

[E-Commerce Website](#)   **Frontend Project**

- Developed a fully functional frontend E-commerce website with secure login, product pages, shopping cart, and logout functionality using React.js.
- Integrated middleware for login protection, session control, and custom error pages.
- Ensured responsiveness and UX quality across devices and browsers.
- Integrated REST APIs and managed user sessions with middleware and protected routes.

[Hackathon Organizing Portal](#)   **Full Stack Project**

- Developed a comprehensive Hackathon Organizing Portal, enabling efficient management of hackathons with features like user registration, project submission, and leaderboard rankings.
- The platform offers distinct login systems for participants and organizers, along with tools for hackathon creation, participant registration, and result viewing.
- Built using HTML, CSS, JavaScript, PHP, and MySQL, the portal ensures streamlined operations through an admin panel and advanced search functionalities.

[Personal Portfolio](#)   **Portfolio website**

- Showcases my web development projects using HTML, CSS, JavaScript.
- Features a clean, responsive design built with Tailwind CSS.
- Includes internship experiences, Projects and certifications to highlight my skills.
- Hosted live on Netlify for easy access and sharing.

ACHIEVEMENTS AND CERTIFICATES

- Completed **MySQL** course from MicroDegree
- Certified in [HTML and CSS](#) from MicroDegree, focusing on core web development and responsive design techniques.
- Successfully completed [Java Basics](#) from Coursera.

EXTRA-CURRICULAR ACTIVITIES

- Participated in [Hackathon](#) Held at Bangalore.
- Competed at the district level in yoga, demonstrating commitment to health, wellness, and personal growth.
- Served as Class Representative for 2 consecutive years, showcasing leadership and communication skills.
- Participated in the singing competition at the Techno-Cultural Fest held at Canara Engineering College.
